The image shows three red Tupperware storage bins arranged on a light-colored wooden floor. The bin on the left is filled with various baby bottles and containers. The middle bin contains wooden blocks, a small toy car, and a grey stuffed koala. The bin on the right is filled with white Christmas ornaments, including stars and spheres. A few wooden blocks and a white ornament are scattered on the floor in front of the bins.

Alles aufgeräumt
Tout est bien rangé
